

A message from our new Vice Principal Kerry Coote

I hope that you have all had a lovely week. I would like to say thank you to you all for giving me such a warm welcome to Evergreen. I have enjoyed getting to know you and your children over the recent weeks and am excited to be part of the Evergreen community. During this week, I have had the pleasure of visiting your children in their classrooms. I was super impressed with how well they engage in their learning and how kind they are to each other.

Thank you to the parents who have already completed the *learning at home and return to school* survey. This is a survey for parents and pupils (pupils will find the link to their survey on their class Dojo page and parents will find the link to their survey on the whole school Dojo page). Please can we ask all parents to complete the parent survey and encourage their children to complete the pupil survey by Wednesday 31st March. If you would like a paper copy of the survey please telephone the office.

We will be holding Parents' Evenings on Tuesday 20th and Thursday 22nd March. They will be held between 3.30 - 6.00pm and will be held online using the same system as last time - Parent Cloud. We will be sending out joining details next week so please look out for them and book your session if you would like one.

We would like to thank all the children who applied to become a member of one of our exciting new pupil-led committees – the Eco Committee and the H&S Committee. Well done to the following children who have been selected to be members of these committees:

Eco Committee Members:

Y6 Nathan
Y6 Sabir
Y6 Souber
Y6 Nihaal
Y5 Ahmed
Y5 Diana
Y3 Raphayel
Y3 Milayna
Y2 Leena
Y2 Hawa

H&S Committee Members:

Y6 Nevaeh
Y5 Luqqman
Y5 Lida
Y5 Rayhan
Y4 Maida
Y3 Sara

Highlights of the week:

1. Children took part in an Into University session where they explored university life and the journey to be a university student. The children asked great questions and responded well to the activities. It was lovely to see our children begin to think about university for their futures.
2. The forming of our two pupil-led committees – we cannot wait to see the positive impact they have on our school.
3. Pupils have already begun to complete the learning at home and return to school survey which will allow us to further support their future learning. Thank you, children!
4. Within our parent survey last week, 100% of parents who completed the survey said that their children feel safe at school.
5. The recent warmer weather has meant that children can enjoy physical activities in the sunshine on our wonderful school field – such a pleasure to see!
