

Wow...what a term it has been! Evergreen Primary Academy started term 4 with some children learning at home and some children learning in school but we always made time to be together 'virtually', every day. Zoom lessons became the daily norm and we've all become experts at posting learning and feedback on ClassDojo!

Then the magic happened...we all came back together again! It's been a few weeks since we've all been back in our classes, back in our playgrounds and back doing what we do best...learning! It's been a joy-filled four weeks with forest school, 'virtual' Into University sessions, gem certificate assemblies, Bristol Sport PE lessons and gardening club with our local PCSO being some of the most popular return to school activities.

We've been busy creating a pupil Eco Committee and announcing our new pupil Health and Safety Committee and held our first meetings where we've generated some great ideas on how to keep our Evergreen Community healthy, happy and safe.

We'd like to say a big 'thank you' to all of our children and families for supporting us in keeping our Evergreen community members safe by following social distancing rules at drop-off and pick-up time. We've been so impressed with how you've adapted to our systems and processes both in the building and outside of it. We know that living in 'bubbles' has taken some getting used to and we are so proud of how well our children follow our classroom H&S processes to keep themselves and others safe.

As you know, our staff have also been playing their part and, as well as following all our social distancing and hygiene processes, they have been regularly using lateral flow device tests before coming in to work to ensure that our school environment is covid-secure.

As we approach the end of term four, we'd like to wish you all a restful break and look forward to seeing you all again on 19<sup>th</sup> April for another great term! We look forward to starting our virtual class assemblies again and planning for a socially distanced version of sports day for KS1 and KS2! Have a good break!
