

## Return to School

We can't believe how quickly this first week back together has gone! It's been fantastic to be able to welcome all of our lovely families and children into school every day this week. We've had lots of happy smiles, lots of shared greetings and a real sense of everyone being so pleased to be back together again. We are so proud of how well our children have got straight back into great learning behaviours and are engaging in learning conversations and activities in a really positive way!

We'd like to thank all of our families for supporting us to keep safe on site. With everyone following our health and safety routines, we're able to enjoy calm and organised drop-off and pick-ups which enables us to have a really positive start and end to our school day.

Many of you will have met Mrs Coote, our new Vice Principal and she has really enjoyed getting to know our children and families during her first week. Mrs Coote will be spending lots of time in the classroom getting to know our teaching teams and our children and she can't wait to get into the learning and find out what exciting activities our children will be taking part in on their learning journeys.

Each week I'll sign off with 5 positive Evergreen moments that have happened during the week. Here are the ones from this week!

- The children had a great time during our Easter Learning Afternoon. It was lovely to see all the artwork that children had produced being brought out of class at the end of the day to share excitedly with family members.
- Y1 Forest School started up again and the children had a fantastic time exploring the forest at the bottom of the field.
- Greeting all our children and families on the gate has been such a lovely way for the leadership team to start and finish the school day. Everyone has been so positive and cheery!
- Kindness in the Classroom lessons have really taken off again this week. We have children modelling kind behaviours in every classroom and every playground. It's wonderful to see the children in our Evergreen Community caring so much about each other.
- Our new Vice Principal, Mrs Coote, has really settled in as part of the Evergreen Community and is going to be a great asset to our school!

We look forward to a positive week again next week!
