Return to school arrangements

The first day and week of term are very important in helping pupils to settle into school and the school routine. We know that children who attend every day during the first week of term are more likely to attend well over the year. They are also better settled into the changes that happen in new academic years, and therefore more readily able to access learning than those who miss out.

Term 1 starts on **Wednesday 3rd September.**

Thank you for your support in ensuring your child returns to school on the first day of term.

Attendance Matters

Please come to our summer picnic on Monday at 3pm. Buy your tickets now from the school office. £3 per family which will include a drink and a biscuit.
