

# Term 6 newsletter

**Wow what a great term!**

## Athlete visit

We were incredibly fortunate to welcome Paralympian Katrina Hart to our school. Katrina shared her inspiring journey with the children, speaking about the importance of aiming high, overcoming challenges and persevering to achieve your goals.

## Whole school trip

We visited Blaise Castle. The children loved exploring, climbing on the play equipment, walking along the river and enjoying an ice cream. Some of us even tipped our toes in the water! We had a brilliant day!

## Year 1

Year 1 were lucky to have the Year 4 children help them with their maths learning. We love working together at Evergreen!

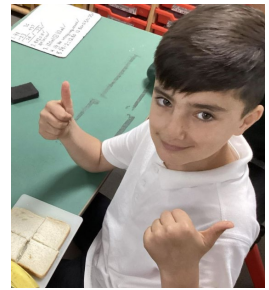

**Year R**  
Reception class love their outdoor learning.

### Year 3

After reading about planting the last truffula seed in The Lorax, Year 3 cleared some weeds and were able to plant our very own seeds! They even spotted a caterpillar!

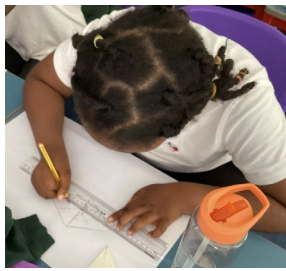

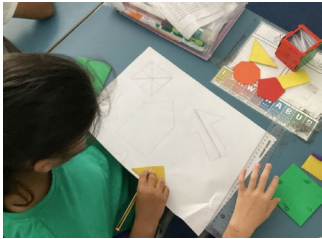

### Year 2

Year 2 were introduced to a new maths concept of fractions! They began by exploring halves, quarters and thirds using bread and fruit! The children used great Oracy skills to explain their thinking.

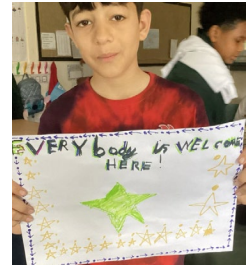

### Year 4

Year 4 are mathematicians! They have been learning all about symmetry.

### National Day of welcome

Year 5 celebrated the National Day of welcome by making tie dye t-shirts.

### Year 6

Year 6 have been learning to tell the time.

School finishes on **Tuesday 21st July** for the summer break. We return to school on **Monday 7th September**. Please stay safe over the holiday.
