SAFEGUARDING

Evergreen Primary Academy

Did you know? Children should **NOT** be on social networks that are **NOT** age appropriate. Your child should **NOT** be on any social networks which are aged 13 years old and upwards.

Roblox

Roblox is the ultimate virtual universe that lets you create, share experiences with friends, and be anything you can imagine.

An open approach like **Roblox** can pose some risks to kids, especially younger ones. Although **Roblox** has some safety precautions in place, it remains a target for people with less-than-good intentions. Therefore, because of the learning potential **Roblox** offers, Common Sense Media rates it OK for users age 13+.

Did you know?

PEGI has altered their rating of 7+ to Parental Guidance Recommended. **Do you know what your child is accessing on Roblox?**

Is Roblox unsuitable for children under age 10?

Some people's imaginations can turn this virtual universe into a dangerous place for young children. Many users build "experiences" within **Roblox** that contain adult content — including profane language, violence, and sexually explicit imagery.

PLEASE MAKE SURE YOU CHECK WHAT YOUR CHILD IS ACCESSING ON ROBLOX.

What can you do to support your child on Roblox?

- Make sure your child creates an account using the correct age.
- On **Roblox**, certain safety settings and parental controls are enabled by default for children under 13. However, you should still review the settings to ensure they've been set up correctly.
- Not all games on **Roblox** will be appropriate for your child. PLEASE CHECK THIS.

It's important to understand these user-created games to be able to guide your child towards the best **Roblox** games for them.
