Reception Term 6 2022

Hello everyone! We hope you are all well and are enjoying the sunshine at the moment. Make sure you continue to log onto Dojo each week to check for updates and to see the amazing learning that the children have been doing so far!

Readers and Writers

This term, we are continuing to practise all of our new sounds and are learning to read longer words within sentences.

We practise our reading every day and lots of us are becoming fluent- this means we don't always need to say each sound in order to read the word. It is still useful for us to use our blending hands if we need to!

This term we are learning all about fantasy stories. We will be writing our own and making beautiful artwork to go alongside.

We have been learning about pirate stories this week, then will move onto castles and dragons!

We will also read a fantasy story called Journey.

Phonics

This term, we will continue to practise our Phase 4 Phonics.

Mathematicians

In this term we will be learning which numbers go together to make 10. We will use them to add together and to take away from 10.

We will be practising our odds and evens using numbers and songs.

We will also be continuing our pattern and shape work. We will move onto more unusual shapes such as ovals and pentagons.

We will be making patterns using objects from nature, objects from around the classroom and also shapes and colours.

PE

In PE this term the children will be continuing to learn about spatial awareness, throwing

There are no new sound to learn, this is why there are no new sounds in the Sound Books. Phase 4 phonics includes practising all of the sounds we know within sentences and writing longer words and simple sentences. Please do practise writing at home.

Please continue to listen to your child read at home. They will continue to have a new phonetically decodable book each week which they practise reading before it goes home. It is vital that your child reads as much as possible both in school and at home.

They are doing incredibly well and we are very proud of their independent reading.

and catching, and working on their upper body strength.

Our PE club with Ben is on Tuesday afternoons. Many thanks for continuing to dress the children appropriately for PE. On Mondays, we have fun with our Real PE games in the classroom and on Thursdays we play parachute games in the big hall.

Please send us photos of any amazing learning that your child does at home!

It is always a pleasure to see and the children love showing their photos to the rest of the class on the big screen and explaining what they have been doing.

I can also print any photos sent to us on Dojo Message and stick them into your child's Learning Journey Book.

Similarly, please continue to fill out the 'Wow Moments' notes and send them in to me for your child's Learning Journey Book.

WOW!

_____ WOW moment is

Date: _____ Signed: _____

*"READING IS A PASSPORT
TO COUNTLESS ADVENTURES."
- MARY POPE OSBORNE*

Please listen to your child read at home 5 times per week. This is the most important thing you can do to support learning at this age. Just 10-15 minutes per day makes a big difference!

Please remember to write in your child's reading record each time you read with them so that we know how often your child is read with at home.

Your child will also be read with 3 times a week with a teacher at school.

Please take care of the books at home as we have a limited supply only. Please bring the books to school each day as the teachers will need to write inside all reading records each day too! We will collect all reading books in and swap them on **Mondays**.

Have fun reading together!

**Yours Sincerely,
Miss Webb**
