Term 1 newsletter

We have had a fantastic start to the school year!

Evergreen celebrates...
Evergreen is proud to be recognised as a Trauma Informed School. This is us supporting and education the whole child.

Reception
Reception have been learning through play during their outdoor child led learning. They have had lots of fun!

Year 1
Year 1 have been learning within Forest school this term.

Year 2
Year 2 have been artists! They explored the work of Lubaina Himid and used this as inspiration for their own painting.

Year 3

Year 3 visited We the Curious where they asked brilliant questions. We were proud of them for being safe, caring and respectful on the trip.

Year 4

Year 4 are scientists! They went on a sound observation walk to see what different sounds they could hear at school! They then categorised them as man-made sounds like cars or natural sounds like bird singing.

Year 5

Year 5 are authors! As they were writing to inform, they gathered lots of facts about the water cycle. They then used these facts to write about the water cycle.

Year 6

Year 6 are musicians! They are lucky to have Sam from Bristol Beacon teaching them composition every week.

Excellent attendance helps children build friendships, develop confidence, and make the most of every learning opportunity. This aligns with Evergreen's attendance messages that emphasise the importance of being "in school every day, on time" and working together to help children achieve their best.

A reminder that school starts at 8:40am, with gates opening at 8:30am. Arriving on time helps children settle calmly and get the best start to their day. Breakfast Club is also available each morning from 8:00 am.
