Year 1 - Term 5 - 2023/2024

Welcome to Term 5

It's great to see you all back again after our spring break.

We have exciting term ahead in Year 1.

Please make sure you log onto Class Dojo each week to check for updates and to see all our amazing work!

It is very important your child brings in their **water bottle**, **reading book** and a **coat** every day!

water bottle

reading book

coat

Authors

As authors this term, we are reading **Jack Breaks the Beanstalk**. We are going to use our great oracy skills to discuss, retell and act out our story. Ask us all about our book at home – I am sure we will be very excited to discuss it with you! We will also use our writing skills to describe characters and settings and practise our use of tense.

Mathematicians

As mathematicians, we will be deepening our knowledge and understanding of numbers and facts and strategies we would use for numbers within ten. Using mathematical equipment such as counters and tens frame and other ways that look at using the whole part-part method. We will be exploring what happens when we combine amounts, learning the principles of addition and subtraction.

As a class, we will also continue to practise our number formations up to 10 and beyond in every activity we do.

Geographers

As Geographers we will be looking at Seasons. We will learn about seasons where we live and about different weather patterns around the world.

Art

The children will continue to learn about colour and study different artists. We will also plan, practise and make a collage using different materials.

Athletes

Our athlete lessons for Term 5 are on **Tuesday and Wednesday.**

Children should come to school dressed ready for athlete lessons.

As athletes this term the children will explore fundamentals of movement with particular emphasis on health and fitness with our Bristol Robins Coaches and developed and enhanced through our Real PE curriculum, Using our physical cog.

Phonics

As readers and writers this term, we will be learning our Phase 5 phonic expression. Whilst continuing to practise reading words with the sounds we know.

Please ask us about our phonics at home.

At home learning

Please listen to your child **read at home** 5 times per week. This is the most important thing you can do to support learning at this age. **Just 5 minutes per day makes a big difference.** Don't forget to ask your child to identify the sounds in the words – they will be very keen to show off their phonics skills!

This term we will be keeping their reading records at school and checking daily if your child has been reading. We will change home reading books when appropriate.

Have fun reading together!

If you have any questions at all, please contact me through ClassDojo or speak with myself at the door.

Yours Sincerely,
Miss Riley
