Year 2 Term 6 2022/2023

Term 6 is here, and we are very proud of our progress throughout Year 2. We have come so far and are excited for our final term in Year 2.

We are very proud of our learning. So, please make sure you log onto Class Dojo each week to check for updates and to see all your amazing work!

## Authors

As authors, we will be reading Around the World with Max and Lemon. We will be using our Phase 2, 3, 4 and 5 phonics to independently segment and blend words to independently read sentences in the book. We will be using a range of exciting adjectives and conjunctions to compare and contrast locations.

We are going to use our great oracy skills to discuss, retell and act out our story. Ask us all about our book at home – I am sure we will be very excited to discuss it with you!

## Mathematicians

As mathematicians, we will be deepening our knowledge and understanding of numbers within 100. We will be exploring fractions. We will be learning about multiplication. We are always keen to use our strategies... I wonder if we can teach you at home!

As a class we will also be practising our number formations up to 10 and beyond in every activity we do.

We will have maths homework weekly based on our in-class learning. Please remember to complete and return to school!

## Geographers

As geographers, we will be comparing different locations – Sabah and Bristol. We will explore both natural and man-made features of each location and discuss the similarities and differences.

We will be using a range of new vocabulary to explain our learning as geographers!

## Athletes

As athletes, we will be practising and refining our basic movement skills. These will be developed and enhanced through our Real PE curriculum. This term, we will be focussing on our cognitive cog.

We are very excited to have Bristol Sport sessions this term which will help us to develop our athlete characteristics through sport.

## Phonics

As readers and writers, we will be finishing off our Year 2 spelling rules in our daily spelling sessions, alongside learning our phase 5 sounds regularly.

We will have a spelling test every Friday. Please practise your weekly spelling words at home!

## At home learning

Please listen to your child read at home 5 times per week. This is the most important thing you can do to support learning at this age. Just 5 minutes per day makes a big difference. Don't forget to ask your child to identify the sounds in the words – they will be very keen to show off their phonics skills!

We will be checking yellow reading records weekly and will change books when appropriate.

## Citizens

In jigsaw, we will be learning about relationships..

We will be accepting that everyone is different, learning about the word 'inclusion' and discussing the use of kind words.

Please feel free to contact me with any questions regarding our learning.

*Have fun reading together!*

Yours Sincerely,  
*Mr Rees*
