Year 3 Term 6 2023/24

Welcome to Term 6! We have had an amazing year so far in terms 1, 2, 3, 4 and 5. It has been great getting to know all of your children. This is our final Term.

A new term is already upon us, and we are very proud of our progress through school year so far. We are very excited to continue our learning journey into Year 3. We are very proud of our learning. So, please make sure you continue log onto Class Dojo each week to check for updates and to see all your amazing work!

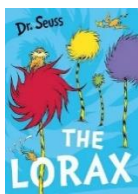

This term is going to be very warm in school, so please make sure your children come in with plenty of water to drink.

Authors

As authors, we will be reading *The Lorax*. We will be using our Phase 2, 3, 4 and 5 phonics to independently segment and blend words to independently read sentences in the book. We will be using a range of exciting adjectives and conjunctions.

During our immersive section of the term, we will be writing a contrasting study alongside our Geography learning.

We are going to use our great oracy skills to discuss, retell and act out our story. Ask us all about our book at home – I am sure we will be very excited to discuss it with you!

Mathematicians

As mathematicians, we will be deepening our knowledge and understanding of numbers within 1000. We will be learning about addition, subtraction, multiplication and division. We are always keen to use our strategies... I wonder if we can teach you at home!

We will be exploring fractions and deepening our mathematical knowledge. We will continue our times table booklets preparing us for the knowledge necessary for year 3 and 4.

We will also be consolidating everything that we have learnt throughout year 3.

Geographers

geography

As Geographers this term we will be carrying out a contrasting study between the Mediterranean and the UK.

Noticing different human and physical features, as well as comparing the two locations.

Scientists

As scientists we will be learning all about the Human body, its functions and healthy eating. This biology unit works alongside our Citizens learning this term.

We will be developing our skills in inquiry, recording results, making predictions, drawing scientific diagrams with labels and writing scientific reports

Athletes

This term we will be learning how to swim on a Thursday afternoon, please make sure your child comes to school in their P.E. Kit with a towel, a swimming kit, trainers or sensible shoes for walking to and from the swimming pool.

Citizens

In jigsaw, we will be learning about our changing bodies in Term 6.

If you have any questions or concerns, then please come and see me or send me a message of class Dojo.

If you have any questions at all, please contact me through ClassDojo or speak with myself at the door.

Yours Sincerely,
Mr Woosey
Year 3 Class Teacher
