## Year 3 Term 4 2023/2024

Welcome to Term 4! We have had an amazing year so far in terms 1, 2 and 3. It has been great getting to know all of your children. We are halfway through the school year!

We are very proud of our progress through school year so far. We are very excited to continue our learning journey through Year 4. So, please make sure you continue log onto Class Dojo each week to check for updates and to see all your amazing work!

### Key Dates:

**22.2-** Trip to Wild Place

**20.3-** J3 Library trip

**26.3 –** Family Spring Event

Plus more to be announced!

### Authors

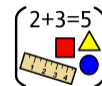

As authors, we will be reading *The Lost Happy Endings* by Carol Ann Duffy. We will be writing our own version of the story using exciting vocabulary, speech and a range of sentences.

During our immersive section of the term, we will be writing about classifying animals in line with our Scientists learning.

We are going to use our great oracy skills to discuss, retell and act out our story.

Ask us all about our book at home – I am sure we will be very excited to discuss it with you!

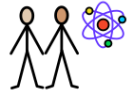

### Mathematicians

As mathematicians, we will be deepening our knowledge and understanding of multiplication and division. We are always keen to use our strategies and put them into action.

It is very important you are logging on to TTRockstars every week to practise times tables. This will not only help you when learning multiplication, but also whenever you are being a mathematician!

### Scientists

This term in Scientists we will be classifying and exploring animals. We have a school trip to The Wild Place to support us with this and build our knowledge as scientists..

We will carry out lots of practical experiments and follow these up with writing non-chronological reports on animals and their classifications

### Athletes

As athletes, we will be practising and refining our basic movement skills. These will be developed and enhanced through our Real PE curriculum. This term, we will be focussing on our cognitive cog.

We are lucky to continue or sessions with the Bristol Robins coaching team. This term, we will be learning racquet sports. PE days will be **Wednesday and Thursday**

### Citizens

In Jigsaw, we will be learning about being healthy and life as an EPA citizen.

We will be looking into what makes up a healthy life, from relationships with those around us as well as physical health including the effects of smoking and alcohol.

As always, please feel free to contact me with any questions regarding our learning.

Yours Sincerely,  
*Miss Gilbert*
